PROJECTS

(1) RAWE - (Rural Agricultural Work Experience)

The Rural Agricultural Work Experience (RAWE) programme is a flagship activity for the final year B.Sc. (Ag.) students during the last semester. Building self-confidence in the agricultural graduates by honing their professional skills is the key objective of introducing RAWE at the under graduate level by ICAR.

Accordingly, this semester-long programme has been evolved. The entire programme is split into eight modules through which the students are exposed to the current and emerging opportunities and challenges in

Agricultural and Rural Development. Farm Planning, Watershed Development Programme, Entrepreneurship Development Programme, Research Stations and KVKs training and Village Stay are the main modules designed to provide the students a hands-on experience of these strategic areas.
