

Gautam Ruparel

Place: Mumbai (India)

Education:

B. Tech. (I I T, Bombay)

Electrical Engineering

Year of passing : 1988

Have been teaching/grooming/mentoring students of broad spectrum from grade 9 to college goers and those looking for PG program. This I have been doing since a decade or so.

Looking at the dynamics of pandemic, I have planned to go full time into Zoom - based virtual teaching mode.

I shall be handling Maths, Physics and Chemistry for grade 9 onward including competition exams viz. JEE - (Mains & Adv) and NEET(Phy & Chem).

I shall be grateful if you could recommend my candidature to parents whose kids may fall in this category (in your friend-circle).

I shall prefer communicating on my email reserved for this purpose as : ruparelgautam@gmail.com

Regards,

Gautam Ruparel
