- Won 'Best Debater Award' in **Rotary International Debate** on 'Service Above Self'
- Won Junior Inter-School Badminton Championship
- Won **Jugal Srimal Excellence Award in Education** from **Nehru Children's Museum**

## MOTIVATION

I am an Otorhinolaryngologist, with 3.5 years post-MS work experience. I am currently working as a Senior Registrar in Bangalore Baptist Hospital. My area of interest is **Otology and Lateral Skull Base Surgery, including Implant Otology**.

I completed my MS ENT from Gauhati Medical College and Hospital, Guwahati, Assam in June-2018 as **University Topper**, following which I worked as a Registrar of ENT at Medikeri's ENT Super-speciality and Cochlear Implant Centre, Bangalore for 6 months and as a Senior Resident at Nil Ratan Sircar Medical College and Hospital, Kolkata for 1.3 years. Following that, I shifted to Bangalore for my family and have been working as an ENT Consultant for 1 year.

I have had a strong and consistent academic record in school, under-graduate and post-graduate medical college. My interest lies in gathering expertise and knowledge from various challenging surgical procedures. As a young ENT surgeon, I intend to hone my surgical skills and learn newer techniques in the field of ENT.
