PERSONAL PROJECTS

Drum Kit [🔗](#)

- A Virtual Music System using **Javascript**.
- In this website we can play sounds for different drum components using keyboard or mouse.

Tindog- Best website for dog lovers(clone) [🔗](#)

- This is a very responsive project build using **HTML, CSS** and **Bootstrap**.
- I used Bootstrap classes such as **Container, nav-bar, carousel slide** and so many others and updated them using CSS to get desired results.

Dice Game [🔗](#)

- This is a fun website to decide the winner using a dice challenge, built using **HTML, CSS** and **JavaScript**.
- In this website we have two players, both players roles dice together and who get more wins and if they get equal then draws.
